Report of Principal and School Improvement Council

The 2009-2010 school year has been a year of achievement for our school. It is the mission of RC Edwards Middle School to "promote high standards of academic achievement, personal achievement, and career development in a safe environment," and we have accomplished this through a multitude of opportunities for our stakeholders.

Our school was a proud recipient of State and National awards for academic excellence. Annual Yearly Progress (AYP) as defined by the Federal Government was achieved. Palmetto Gold, a State measure of growth over a three year period, was awarded. RC Edwards was also rated as "excellent" on the school report card.

Our students have had numerous opportunities to showcase their talents in academics, athletics, and the arts. Our Algebra 1 classes scored an average of 92% and our English 1 classes an average of 93% on end of course exams. Our Festival Band won top national awards for its performance at the New York City Heritage festival at the Riverside church and was awarded the highest possible rating of gold from each of the five judges on the panel. The chess club finished first place in the State Competition, and our MathCounts team placed 1st in the regional competition. Fourteen students placed in the Biology Merit Exam. Edwards had 42 students named South Carolina Junior Scholars and 17 students qualify for the Talent-Search Program sponsored by Duke University including two Grand Award winners.

Some exemplary programs at Edwards include our Panthers in Action, Students of the Month, the 100% Club, and Breakfast of Champions. The Panthers in Action are our tour guides for new students; the Students of the Month program identifies students who have excelled in the classroom as model students; the 100% Club is for students who have turned in all of their work for the previous quarter; and Breakfast of Champions rewards students who have not incurred disciplinary action during the previous quarter. The MAP prepares students to take PASS and more importantly provides valuable information about students' progress throughout the year so that teachers can meet their needs more effectively.

In an effort to invest in the surrounding community, Edwards contributes to many outreach programs. Students and faculty make donations to local charities, such as Relay for Life, Hoops for Heart and United Way and participate in fundraisers such as Hands up for Haiti, and Senior citizens Day. This year we are proud to achieve the Purple Award from Relay for Life, having raised over \$11,500.
